Visual Artist : [Painting](#) | [Sculpture](#) | [Installation](#) | [Mixed Media](#)

St Paul's bay, Malta, EU

Email: info@stiefnu.com

Website: www.stiefnu.com

Stiefnu De Battista is a contemporary Maltese visual artist working primarily with mixed media. His practice takes inspiration from the sea and marine life, transforming these elements into dynamic abstract compositions.

His work balances rich textures with fluidity, channeling the forms and movement of aquatic life, such as the intricate contours of marine creatures, into a compelling visual language of abstract motion.
